Hello,

Letting you know that the debris from the Encampment is still not removed. There is no one camping inside.

I notice that more encampments have taken place across the street but early morning police remove them away. Wondering why they would not remove this one next to my house.

Can this be solve to be remove? I have been complaining weekly but no one seems to be doing anything within 3 months.

The Encampment is located at Willow Brook Street and N New Hampshire Ave.

Thanks,

Priva

Hi Privacy,

I have not forgotten about you. We had submitted your location as one of our priority clean-ups; however, several clean-up days have been rescheduled due to recent rains.

I am following up with the Department of Sanitation re/ the next cleanup day.

Please feel free to give me a call and let me know if you have any questions - your patience is greatly appreciated.

Best,
George
